PROFILE

BA English graduate with strong communication and interpersonal skills, seeking a **Telecaller position** where I can use my language proficiency and customer-handling ability to deliver a positive caller experience. One year of teaching experience has strengthened my confidence, clarity, and ability to connect effectively with people.

PROFESSIONAL EXPERIENCE

English Teacher

2019 – 2020

Providence Woman College, Chemmad

- Helped students improve their English fluency, grammar, and confidence in both speaking and writing.
- Designed engaging lessons and activities to make learning interactive and enjoyable.
- Regularly assessed students' progress and provided personal feedback to help them improve.
- Built strong communication and listening skills through daily interaction and guidance—abilities that translate well into customer engagement and telecalling
